Please **do not park** vehicles, trailers, boats, campers or other items **in the alleys**. Alleys are for delivering propane, access for fire, ambulances and city maintenance.

FALL CLEANUP

With the fall approaching, we ask that you clean up yards and dispose of all trash or junk to deter animals from harboring in these items over the winter. There will be two clean up dumpsters coming Sept. 22<sup>nd</sup> for such items. Please be considerate and push all items down and as flat as possible when dumping. Leave room for others to discard items as well. Thank you.

SENIOR CENTER NEWS

Breakfast on Sunday Sept. 21<sup>st</sup>  
Pancakes, sausage, French toast,  
waffles, eggs, fruit and drinks.

All are welcome to attend.

Open 9am to 1pm.

The senior citizens would like to  
thank everyone that has been  
attending the breakfast and  
supporting the club.

We are still having issues with people  
blowing grass into the streets when  
mowing. Please refrain from doing this as it  
plugs the curbs for rain run off and is a  
breeding ground for mosquitos.

Please move sump pump hoses back off  
the streets and into your homes once the  
weather turns colder. This prevents ice from  
forming on the streets and causing  
hazardous situations.
