Consistent with the foregoing, every person shall drive at a safe and appropriate speed when approaching and crossing an intersection or railroad grade crossing, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding roadway, and when special hazards exist with respect to pedestrians or other traffic or by reason of weather or highway conditions. Any person who shall drive a vehicle upon a highway or private or public property open to the public for the operation of motor vehicles without heed to the requirements or restrictions of this section shall have committed careless driving, and shall be assessed a fee of Thirty and No/100 Dollars (\$30.00).

Any person who, by reason of careless driving as herein defined, causes and inflicts injury upon the person of an operator of snow removal equipment engaged in snow removal operations or causes damage in excess of one thousand dollars to snow removal equipment engaged in snow removal is guilty of an infraction.

As used in this section, “snow removal equipment” means a vehicle that is operated by a person employed by or on behalf of an authority in charge of the maintenance of the highway to perform winter maintenance snow and ice removal, including plowing, hauling away, salting, and sanding.

 - a. Twenty (20) miles an hour when approaching within fifty (50) feet of a grade crossing of any steam, electric, or street railway when the driver's view is obstructed. A driver's view is deemed to be obstructed when at any time during the last two hundred (200) feet of the driver's approach to such crossing, the driver does not have a clear and uninterrupted view of such railway crossing and of any traffic on such railway for a distance of four hundred (400) feet in each direction from such crossing;
 - b. Twenty (20) miles an hour when passing a school during school recess or while children are going to or leaving school during opening or closing hours;
 - c. Twenty (20) miles an hour when approaching within fifty (50) feet and in traversing an intersection of highways when the driver's view is obstructed. A driver's view is deemed to be obstructed when at any time during the last fifty (50) feet of the driver's approach to such intersection, the driver does not have a clear and uninterrupted view of such intersection and of the traffic upon all of the highways entering such intersection for a distance of two hundred (200) feet from such intersection;
 - d. Twenty (20) miles an hour when the driver's view of the highway ahead is obstructed within a distance of one hundred (100) feet;
 - e. Twenty-five (25) miles an hour on any highway in a business district or in a residence district or in a public park, unless a different speed limit is designated and posted by local authorities; and

9.0503 When Local Authorities May or Shall Alter Maximum Speed – Limits – Signs Posted

The provisions of North Dakota Century Code Section 39-09-03 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. Whenever the City, on the basis of an engineering and traffic investigation, determines that the maximum speed permitted under this title is greater or less than what is reasonable and safe under the conditions found to exist upon a highway or part of a highway, the City may determine and declare a reasonable and safe maximum limit thereon which:
 - a. Decreases the limit at intersections;
 - b. Increases the limit within an urban district but not to more than fifty-five (55) miles per hour; or
 - c. Decreases the limit outside an urban district.

2. The City shall determine by an engineering and traffic investigation the proper maximum speed for arterial streets and shall declare a reasonable and safe maximum limit thereon which may be greater or less than the minimum speed permitted under this chapter for an urban district.

3. Any altered limit established as hereinabove authorized shall be effective at all times or during hours of darkness or at other times as may be determined when appropriate signs giving notice thereof are erected upon such street or highway.

4. Any alteration of maximum limits on state highways or extensions thereof in the municipality shall not be effective until such alteration has been approved by the director of the North Dakota Department of Transportation.

5. Not more than six such alterations as hereinabove authorized shall be made per mile along a street or highway except in the case of reduced limits at intersections, and the difference between adjacent limits shall not be more than ten (10) miles (16.09 kilometers) per hour.

2. Whenever the state highway commissioner and the superintendent of the highway patrol, acting jointly, or the City, determine on the basis of engineering and traffic investigation that slow speeds on any highway or part of a highway impede the normal and reasonable movement of traffic, the commissioner and superintendent or the City may determine and declare a minimum speed limit below which no person shall

drive a vehicle except when necessary for safe operation or in compliance with law, and that limit shall be effective when posted upon appropriate fixed or variable signs.

9.0506 Regulations of Speed by Traffic Signals

Any person who violates this section by engaging in an act defined by subdivision a or c of subsection 2 must be assessed a fee of one hundred dollars.
2. As used in this section:
 - a. “Drag race” means the operation of two or more vehicles from a point side-by-side by accelerating rapidly in a competitive attempt to cause one vehicle to out distance the other; or the operation of one or more vehicles over a common selected course from the same point to the same point for the purpose of comparing the relative speed or powers of acceleration of such vehicle or vehicles within a certain distance or time limit.
 - b. “Exhibition driving” means driving a vehicle in a manner which disturbs the peace by creating or causing unnecessary engine noise, tire squeal, skid, or slide upon acceleration or braking; or driving and executing or attempting one or a series of unnecessarily abrupt turns.
 - c. “Race” means the use of one or more vehicles in an attempt to outgain, outdistance, or to arrive at a given distance ahead of another vehicle or vehicles; or the use of one or more vehicles to willfully prevent another vehicle from passing the facing vehicle or vehicles, or to test the physical stamina or endurance of the persons driving the vehicles over a long distance driving route.
3. Nothing in this section shall be construed as prohibiting drag racing, exhibition driving, or similar events when carried out in an organized manner on a track or other privately owned area specifically set aside and used solely for such purposes by drivers of motor vehicles, including snowmobiles.

9.0508 Radar Evidence in Speed Violations

The provisions of North Dakota Century Code Section 39-03-15 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

The speed of any motor vehicle may be checked by the use of radio microwaves or other electrical device. The results of such checks shall be accepted a prima facie evidence of the speed of such motor vehicle in any court or legal proceedings where the speed of the motor vehicle is at issue. The driver of any

such motor vehicle may be arrested without a warrant under this section, provided the arresting officer is in uniform or displays the officer's badge of authority; provided that such officer has observed the record of the device, or has received a radio message from the officer who observed the speed of the motor vehicle recorded by the radio microwaves or other electrical device.

2. Left turns. The driver of a vehicle intending to turn left shall approach the turn in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle. Whenever practicable, the left turn must be made to the left of the center of the intersection and so as to leave the intersection in the extreme left-hand lane lawfully available to traffic moving in the same direction as such vehicle on the roadway being entered;
3. The City may cause official traffic-control devices to be placed and thereby require and direct that a different course from that specified in this section be traveled by turning vehicles, and when such devices are so placed, no driver of a vehicle may turn other than as directed and required by such devices.

9.0602 Vehicle Turning Left

The provision of North Dakota Century Code Section 39-10-23 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

The provision of North Dakota Century Code Section 39-10-36 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. The driver of any vehicle shall not turn such vehicle so as to proceed in the opposite direction unless such movement can be made in safely and without interfering with other traffic.
2. No vehicle shall be turned so as to proceed in the opposite direction upon any curve, or upon the approach to or near the crest of a grade, where such vehicle cannot be seen by the driver of any other vehicle approaching from either direction within five hundred (500) feet.

3. No person may stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided herein to the driver of any vehicle immediately to the rear when there is opportunity to give such signal; and
4. The signals required on vehicles by subsection 2 or 9.0605 may not be flashed on one side only on a disabled vehicle, flashed as a courtesy or “do pass” signal to operators of other vehicles approaching from the rear, nor be flashed on one side only of a parked vehicle except as may be necessary for compliance with this section.

9.0702 Through Streets Designated

The following streets and parts of streets are hereby declared to be through streets for the purpose of this chapter:

9.0703 Signs

All traffic control devices shall conform to state specifications.

2. Except when directed to proceed by a police officer, every driver of a vehicle approaching a stop sign shall stop at a clearly marked stop line, or if none, then at the point nearest the intersection roadway where the driver has a view of approaching traffic on the intersection roadway before entering it. After having stopped, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time when such driver is moving across or within the intersection or junction of roadways.
3. The driver of a vehicle approaching a yield sign shall in obedience to such sign slow down to a speed reasonable for the existing conditions and, if required for safety to stop, shall stop at a clearly marked stop sign, or, if none, before entering the crosswalk on the near side of the intersection or, if none, then at the point nearest the intersection roadway where the driver has a view of approaching traffic on the intersection roadway before entering it. After slowing or stopping, the driver shall yield the right-of-way to

any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection or junction of roadways. Provided, however, that if the driver is involved in a collision with a vehicle in the intersection or junction of roadways after driving past a yield sign without stopping, such collision shall be deemed prima facie evidence of his failure to yield the right-of-way.

4. Every stop sign and every yield sign shall be erected as near as practicable to the nearest line of the crosswalk on the near side of the intersection or, if there is no crosswalk, then as near as practicable to the nearest line of the intersecting roadway.
5. Except when directed to proceed by a police officer or traffic control sign, every driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, shall stop at a clearly marked stop line, but if none, then at the point nearest the intersection roadway where the driver has a view of approaching traffic on the intersecting roadway.
6. The driver of a vehicle approaching a yield sign if required for safety to stop shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, at a clearly marked stop line, but if none, then at a point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.

9.0705 Emerging from Alley or Driveway

The driver of a vehicle emerging from an alley, driveway, private road or building with a business or residential district shall stop such vehicle immediately prior to driving on to the sidewalk or on to the sidewalk area extending across such alley, building entrance, road or driveway, or in the event there is no sidewalk area, shall stop at the point nearest the street to be entered when the driver has a view of approaching traffic thereon. The driver shall yield the right-of-way to any pedestrian as may be necessary to avoid collision and upon entering the roadway shall yield the right-of-way to all vehicles approaching on said roadway. (Source: North Dakota Century Code Section 39-10-45)

The provisions of the North Dakota Century Code Section 39-10-68 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

No driver shall enter any intersection or a marked crosswalk or drive on to a railroad grade crossing unless there is sufficient space on the other side of the intersection, crosswalk, or railroad grade crossing to accommodate the vehicle he is operating without obstructing the passage of other vehicles, pedestrians, or railroad trains notwithstanding any traffic-control signal indication to proceed.

9.0707 Obedience to Signal Indicating Approach of Train

The provision of North Dakota Century Code Section 39-10-41 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. Whenever any person driving a vehicle approaches a railroad grade crossing under any of the circumstances stated in this section, the driver of such vehicle shall stop within fifty (50) feet (15.24 meters) but not less than fifteen (15) feet (4.57 meters) from the nearest rail of such railroad, and shall not proceed until he can do so safely. The foregoing requirements shall apply when:

- a. A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;
 - b. A crossing gate is lowered or when a human flagman gives or continues to give a signal of the approach or passage of a railroad train;
 - c. A railroad train approaching within approximately one thousand three hundred twenty (1,320) feet (402.34 meters) of the highway crossing emits a signal audible from such distance and such railroad train, by reason of its speed or nearness to such crossing, is an immediate hazard; or
 - d. An approaching railroad train is plainly visible and is in hazardous proximity to such crossing.
1. No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed. No person shall drive any vehicle past any human flagman at a railroad crossing until the flagman signals that the way is clear to proceed.

9.0906 Drive on right Side of Roadway – Exceptions

The provisions of North Dakota Century Code Section 39-10-08 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. Upon all roadways of sufficient width a vehicle shall be driven upon the right half of the roadway, except as follows:
 - a. When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movement;
 - b. When an obstruction exists making it necessary to drive to the left of the center of the highway; provided, any person so doing shall yield the right-of-way to all vehicles traveling in the proper direction upon the unobstructed portion of the highway within such distance as to constitute an immediate hazard;
 - c. Upon a roadway divided into three marked lanes for traffic under the rules applicable thereon; or

1. Upon all roadways any vehicle proceeding at less than the normal speed of traffic at the time and place and under the conditions then existing shall be driven in the right-hand lane then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtaking and passing another vehicle proceeding in the same direction or when preparing for a left turn in an intersection or into a private road or driveway.

2. Upon any roadway having four or more lanes for moving traffic and providing for two-way movement of traffic, no vehicle shall be driven to the left of the center line of the roadway, except when authorized by official traffic-control devices designating certain lanes to the left side of the center of the roadway for use by traffic not otherwise permitted to use such lanes, or except as permitted under subdivision b of subsection 1 hereof. However, this subsection shall not be construed as prohibiting the crossing of the center line in making a left turn into or from an alley, private road, or driveway.

9.0907 Passing Vehicles Proceeding in Opposite Direction

The provisions of North Dakota Century Code Section 39-10-09 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

Drivers of vehicles proceeding in opposite directions shall pass each other to the right, and upon roadways having width for not more than one line of traffic in each direction each driver shall give to the other at least one-half of the main-traveled portion of the roadway as nearly as possible.

9.0908 Overtaking a Vehicle on the Left

The provisions of North Dakota Century Code Section 39-10-11 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated;

1. The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.
2. Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

9.0909 When Overtaking on the Right is Permitted

The provisions of North Dakota Century Code Section 39-10-12 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. The driver of a vehicle may overtake and pass upon the right of another vehicle only under the following conditions:
 - a. When the vehicle overtaken is making or about to make a left turn; or
 - b. Upon a roadway with unobstructed pavement of sufficient width for two or more lines of vehicles moving lawfully in the direction being traveled by the overtaking vehicle.
2. The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movement in safety. Such movement may not be made by driving off the roadway.

9.0910 Limitations on Overtaking on the Left

The provisions of North Dakota Century Code Section 39-10-13 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

No vehicle may be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to an authorized lane of travel as soon as practicable, and in the event the passing movement involves the use of a lane authorized for vehicles approaching from the opposite direction, before coming within two hundred feet of any approaching vehicle.

9.0911 Further Limitations on Driving on Left of Center of Roadway

The provisions of North Dakota Century Code Section 39-10-14 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. No vehicle shall be driven to the left side of the roadway under the following conditions:
 - a. When approaching or upon the crest of a grade or a curve in the highway where the driver's view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction;
 - b. When approaching within one hundred (100) feet of or traversing any intersection or railroad grade crossing; or
 - c. When the view is obstructed upon approaching within one hundred (100) feet of any bridge, viaduct or tunnel.
1. The foregoing limitations shall not apply upon a one-way roadway, nor under the conditions described in 9.0906 nor to the driver of a vehicle turning left into or from an alley, private road or driveway.

9.0912 No-Passing Zones

The provisions of North Dakota Century Code Section 39-10-15 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. The director of the North Dakota Department of Transportation and local authorities are hereby authorized to determine those portions of any highway under their respective jurisdiction where overtaking and passing or driving on the left side of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of such zones and when such signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey the directions thereof.
2. Where signs or markings are in place to define a no-passing zone as set forth in subsection 1, no driver shall at any time drive on the left side of the roadway with such no-passing zone or on the left side of any pavement striping designed to mark such no-passing zone throughout its length.
3. This section does not apply under the conditions described in Section 9.0906 nor to the driver of a vehicle turning left into or from an alley, private road or driveway.

9.0913 Driving on Roadways Laned for Traffic

The provisions of North Dakota Century Code Section 39-10-17 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

Whenever any roadway has been divided into two or more clearly marked lanes for traffic, the following rules in addition to all others consistent herewith shall apply:

1. A vehicle must be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.
2. Upon a roadway which is divided into three lanes and provides for two-way traffic, a vehicle may not be driven in the center lane except when overtaking and passing

another vehicle traveling in the same direction when such center line is clear of traffic within a safe distance, or in preparation for making a left turn or where such center lane is at the time allocated exclusively to traffic moving in the same direction that the vehicle is proceeding and such allocation is designated by official traffic-control devices.

3. Official traffic-control devices may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and drivers of vehicles shall obey the directions of every such device.
4. Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway and drivers of vehicles shall obey the directions of every such device.

9.0914 Following Too Closely

The provisions of North Dakota Century Code Section 39-10-18 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

1. The driver of a motor vehicle may not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway.
2. The driver of any truck or motor vehicle drawing another vehicle when traveling upon a roadway outside of a business or residence district and which is following another truck or motor vehicle drawing another vehicle shall, whenever conditions permit leave sufficient space so that an overtaking vehicle may enter and occupy such space without danger, except that this does not prevent a truck or motor vehicle drawing another vehicle from overtaking and passing any vehicle or combination of vehicles.
3. Motor vehicles being driven upon any roadway outside of a business or residence district in a caravan or motorcade whether or not towing other vehicles must be so operated as to allow sufficient space between each such vehicle or combination of vehicles so as to enable any other vehicle to enter and occupy such space without danger. This provision does not apply to funeral processions.

9.0915 Driving on Divided Highways

The provisions of North Dakota Century Code Section 39-10-19 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

Whenever any highway has been divided into two or more roadways by leaving an intervening space or by a physical barrier or clearly indicated divided section so construed as to impede vehicular traffic, every vehicle must be driven only upon the right-hand roadway, unless directed or permitted to use another roadway by official traffic-control devices or police officers. No vehicle may be driven over, across or within any such dividing space, barrier or section, except through an opening in such physical barrier or dividing section or space at a crossover or intersection as established by public authority, unless such crossing is specifically prohibited and such prohibition is indicated by appropriate traffic-control devices.

9.0916 Restricted Access

The provisions of North Dakota Century Code Section 39-10-20 and all subsequent amendments shall be and are hereby incorporated by reference in this ordinance.

 - e. The execution or imposition of sentence under this section may not be suspended or deferred under subsection 3 or 4 of section 12.1-32-02 of the North Dakota Century Code.
 - f. For purposes of this section, conviction of an offense under a law or ordinance of another state which is equivalent to this section must be considered a prior offense if such offense was committed within the time limitations specified in this subsection.
 - g. If the penalty mandated by this section includes imprisonment or placement upon conviction of a violation of this ordinance, and if an addiction evaluation has indicated that the defendant needs treatment, the court may order the defendant to

undergo treatment at an appropriate licensed addiction treatment program and the time spent by the defendant in the treatment must be credited as a portion of a sentence of imprisonment or placement under this section. (Source: North Dakota Century Code Section 39-08-01)

If the person has posted bond in person or by mail, the person may forfeit bond by not appearing at the designated time. If the person appears at the time scheduled in the citation, the person may make a statement in explanation of the person's action, and the official may at that time waive, reduce or suspend the statutory fee or bond, or both. If the person cited follows the foregoing procedures, the person is deemed to have admitted the violation and to have

waived his right to a hearing on the issue of commission of the violation. The bond required to secure appearance before the official designated in the citation must be identical to the statutory fee established by Section 39-06.1-06 of the North Dakota Century Code. The hearing must be held at the time scheduled in the citation, or at the time scheduled in response to the person's request or at some future time, not to exceed ninety (90) days later, set at that first appearance.
2. At the time of a request for a hearing on the issue of commission of the violation, the person charged shall deposit with the official having jurisdiction an appearance bond equal to the statutory fee for the violation charged.
3. If a person cited for a traffic violation, other than an offense listed in Section 39-06.1-05 of the North Dakota Century Code, has requested a hearing on the issue of the commission of the violation charged and appears at the time scheduled for the hearing, and the state or City, as the case may be, does not appear or is not ready to prove the commission of a charged violation at the hearing, the official shall dismiss the charge.
4. The fact that a person has admitted a violation, or has, in any proceeding, been found to have committed a violation, may not be referred to in any way, nor be admissible as evidence in any court, civil, equity or criminal, except in an action or proceeding involving that person's driving license or privilege.
5. a. If a person is aggrieved by a finding that he committed the violation, the person may, without payment of a filing fee, appeal that finding to the district court for trial anew. If, after trial in the appellate court, the person is again found to have committed the violation, there shall be no further appeal. Notice of appeal under this subsection must be given within thirty (30) days after a finding of commission of a violation is entered by the official. Oral notice of appeal may be given to the official at the time that the official adjudges that a violation has been committed. Otherwise, notice of appeal shall be in writing and filed with the official, and a copy of the notice must be served upon the prosecuting attorney. An appeal taken under this subsection may

not operate to stay the reporting requirement of subsection 4, nor to stay appropriate action by the licensing authority upon receipt of that report.

- b. The appellate court upon application by the appellant may:
 - i. Order a stay of any action by the licensing authority during pendency of the appeal, but not to exceed a period of one hundred twenty (120) days;
 - ii. Order a stay and that the appellant be issued a temporary restricted driving certificate by the licensing authority to be effective for no more than one hundred twenty (120) days; or
 - iii. Deny the application.

An application for a stay or temporary certificate under this subdivision must be accompanied by a certified copy of the appellant's driving record, for the furnishing of which the licensing authority may charge a fee of two dollars (\$2.00). Any order granting a stay or a temporary certificate must be forwarded forthwith by the Clerk of Court to the licensing authority, which shall issue a temporary certificate in accordance with the order in the manner provided by law. A court may not make a determination on an application under this subdivision without notice to the appropriate prosecuting attorney. A person who violates or exceeds the restrictions contained in any temporary restricted driving certificate issued pursuant to this subdivision is guilty of a traffic violation and must be assessed a fee of twenty dollars (\$20.00).

- c. If the person charged is found not to have committed the violation by the appellate court, the Clerk of Court shall report that fact to the licensing authority immediately. If an appeal under this subsection is from a violation of a City ordinance, the city attorney shall prosecute the appeal. In all other cases, the appropriate state's attorney shall prosecute the appeal.
- 6. The state or the City, as the case may be, must prove the commission of a charged violation at the hearing or appeal under this section by a fair preponderance of the evidence. Upon an appeal under subsection 5, the court and parties shall follow, to the extent applicable, the North Dakota rules of Civil Procedure. If on the appeal from the finding of the official the finding is affirmed, costs may be assessed at the discretion of the trial judge.
 - 7. As used in Sections 39-06.1-02, 39-06.1-03 and 39.06.1-04 of the North Dakota Century Code, the word "official" means a municipal judge or a magistrate or other qualified person appointed by the presiding judge of the judicial district, to serve as such official for all or a specified part of the judicial district.
