ARTICLE 1 - Adoption of Electrical Code

- 16.0101 Electrical Code Adopted
- 16.0102 Work by Licensed Electrician
- 16.0103 Work by Licensed Electrician, When Not Required
- 16.0104 Electricity

ARTICLE 2 –Adoption of Plumbing Code

- 16.0201 Plumbing Code Adopted
- 16.0202 Work by Licensed Plumber
- 16.0203 Work by Licensed Plumber, When Not Required
- 16.0204 Plumbing

ARTICLE 1 – Adoption of Electrical Code

16.0101 Electrical Code Adopted

There is hereby adopted the rules for electrical wiring and equipment as adopted by the State Electrical Board and any future updates, and amendments to those rules, a copy of which is on file in the office of the city auditor of the City, and the same is hereby adopted as fully as if it were set out at length herein.

16.0102 Work by Licensed Electrician

All electrical work hereafter to be installed in any building within the corporate limits, shall be undertaken and executed only by persons holding a master electrician's license or a Class B electrician's license where applicable as provided in the laws of the State of North Dakota, and have given a surety bond in the sum of one thousand (\$1,000.00) Dollars approved by the governing body, for the execution of all work in conformity with the laws of the State of North Dakota, and the provisions of this article.

16.0103 Work by Licensed Electrician, When Not Required

No permit or application for a permit shall be required for the installation of electrical wiring for electrical installations made upon their own property by public service corporations, which hold franchises from the City for the manufacture and distribution of electric power.

16.0104 Electricity

No electrical installation shall be connected for use until proof has been furnished to the person, firm or corporation supplying electrical energy (Otter Tail) that such regulations have been complied with.

ARTICLE 2 – Adoption of Plumbing Code

16.0201 Plumbing Code Adopted

There is hereby adopted the rules for plumbing as adopted by the State Plumbing Board and any future updates, and amendments to those rules, a copy of which is on file in the office of the city auditor of the City, and the same is hereby adopted as fully as if it were set out at length herein.

16.0202 Work by Licensed Plumber

All plumbing work hereafter to be installed in any building within the corporate limits, shall be undertaken and executed only by persons holding a master plumbing license where applicable as provided in the laws of the State of North Dakota, and have given a surety bond in the sum of one thousand (\$1,000.00) Dollars approved by the governing body, for the execution of all work in conformity with the laws of the State of North Dakota, and the provisions of this article.

16.0203 Work by Licensed Plumber, When Not Required

No permit or application for a permit shall be required for plumbing upon their own property in residential locations.

16.0204 Plumbing

The minimum basic standards for plumbing, drainage and ventilation of plumbing in buildings of all classes in the City shall be those formulated and prepared by the State Board of Plumbing and approved by the State Department of Health. All new developments within the City of Glenburn must have the surveys approved by the State Department of Health and the City Council before plumbing work shall begin.
