CHAPTER THREE

PUBLIC PLACES AND PROPERTY

ARTICLE 1 - Construction and Repair

3.0101 Supervision

All construction maintenance and repair of public streets, alleys, sidewalks and other public ways shall be under the supervision of the city maintenance man or street commissioner. He shall be charged with the enforcement of all ordinance provisions relating to such public places (except traffic ordinances) and is hereby authorized to enforce such ordinance.

3.0102 Construction and Repair - Permits

It shall be unlawful to construct, reconstruct, alter, grade or repair any public street, sidewalk, driveway, curbs or gutters without having first secured a permit therefore, unless said work is performed by the City contractor. Applications for such permits shall be made to the Auditor and shall state the location of the intended pavement or repair, the extent thereof and the person or firm who is to do the actual construction work. No such permits shall be issued except where the work will conform to the ordinances of the City.

3.0103 Bond

Each applicant shall file a bond in the amount of \$500.00 with surety to be approved by the governing body conditioned to indemnify the City for any loss or damage resulting from the work undertaken or the manner of doing the same.

3.0104 Specifications

All construction, maintenance and repair herein shall be made in conformity with specifications laid down or approved from time to time by the governing body.

3.0105 Duty of Owner to Maintain

It shall be the duty of the owner of any property along which a sidewalk has been constructed to maintain the same in good repair and safe condition. Should any such owner fail so to maintain such sidewalks, the city engineer or street commissioner shall direct him to make such repairs as may be necessary to restore such sidewalk to a safe condition. Should he fail, within a reasonable time, to follow the directions of the city engineer or street commissioner, the city engineer or street commissioner shall report the facts to the governing body, which shall then proceed as provided in Chapter 40-29 of the North Dakota Century Code.

3.0106 Application for Permit

An applicant for a permit hereunder shall file with the city auditor an application showing:

1. Name and address of the owner, or agent in charge, of the property abutting the proposed work area.
2. Name and address of the party doing the work.
3. Location of the work area.
4. Attached plans or sufficient sketches showing details of the proposed alterations.

5. Estimated cost of the alterations.
6. Such other information as the city maintenance man or street commissioner shall find reasonably necessary to the determination whether a permit should be issued hereunder.

3.0107 Standards for Issuance of Permit

The city council shall issue a permit hereunder when it is determined:

1. That the work will be done according to the standard specifications of the City for public work of like character.
2. That the operation will not unreasonably interfere with vehicular and pedestrian traffic, the demand and necessity for parking spaces, and the means of ingress and egress to and from the property affected and adjacent properties.
3. That the health, welfare and safety of the public will not be unreasonably impaired.

3.0108 Sidewalks Built to Grade Specifications

All sidewalks shall be constructed in accordance with the elevations and grade therefore to be furnished by the city engineer and shall be constructed under his direction and supervision or under the direction and supervision of the street commissioner. All sidewalks shall meet the following requirements:

1. All sidewalks shall be constructed of concrete.
2. All sidewalks in residential areas shall be constructed not less than five (5) feet in width and shall have a minimum slope one-fourth (1/4) inch per foot from the inside edge toward the street.
3. All sidewalks shall be of concrete and of at least four (4) inches in thickness.
4. All sidewalks shall be laid out as follows:
 - a. In locations where the right-of-way is sixty (60) feet or less the sidewalks shall be constructed on the property line.
 - b. In locations where the right-of-way is greater than sixty (60) feet the sidewalk shall be constructed eighteen (18) inches out from the property line.
 - c. In no case in the residential district shall the sidewalk be constructed adjacent to the curb unless right-of-way and topographic features require it.
 - d. Notwithstanding any other provision herein all sidewalks shall be set out so that they are in conformity with existing sidewalks to which they may attaché.
5. All sidewalks in commercial and/or industrial districts shall be constructed from the property line to the back of the curb and the width of sidewalk shall be governed by the width of street section; provided however, in areas where commercial development is not complete the entire sidewalk need not be constructed, a section six (6) feet in width adjacent to the curb shall be constructed thus leaving an area for structural foundations.

3.0109 Materials and Manner of Construction

The kind and quality of material which, and the manner in which driveways, curb and gutter, relaying of block walks and paving repairs shall be constructed shall be determined by the city engineer.

3.0110 City Contractor

The city auditor shall receive bids for the construction of sidewalks, driveways, curb and gutter and paving repairs as the City may find necessary to have done. Such bids shall be made upon blanks furnished by the city engineer or street commissioner and shall conform to specifications filed with the city auditor by the city engineer or street commissioner and approved by the governing body.

All sidewalks, driveways, curb and gutter and alley returns lying between the property line and the abutting street hereafter constructed within the City must conform to this chapter, and the specifications filed with the city engineer, and approved by the governing body must specify the details with respect thereto. When any contract for the construction of sidewalks, driveways, curb and gutter, relaying of block walks and paving repairs is about to be entered into by the City in accordance with the provisions of the laws of this state, the contractor to whom any such contract shall be awarded shall be required, before such contract is entered into, to give in addition to the contract bond required by the laws of the state of North Dakota, an additional bond in an amount to be determined by the governing body, running to the City, conditioned that said contractor shall maintain and keep in good repair, for a period of two (2) years from date of final acceptance all sidewalks, driveways, curb and gutter and paving repairs so constructed by such contractor under the terms of such contract, and that in case of default under the part of such contractor to so maintain and keep such improvements in good repair made by him for the said period of two (2) years, or in case they shall within said time begin to crumble or disintegrate or become cracked or broken to such extent that, in the opinion of the city engineer or street commissioner, the same is not a satisfactory compliance with the specifications for the construction thereof, then the city engineer or street commissioner may direct that such sidewalks, driveways, curb and gutters or paving repairs be immediately repaired or re-laid in whole or in part as he shall deem best, and the contractor shall immediately cause the same to be repaired or failure so to repair or to relay the same, the City at any time within said two- (2) year period or thereafter, may cause the same to be repaired or re-laid, and the cost thereof whether done by the City directly or through a contract, may be recovered against said contractor and the surety upon such bond.

ARTICLE 2 - Use and Care of Streets, Sidewalks and Public Places

3.0201 Obstructions - Penalty

It shall be unlawful for any person, firm or corporation to cause, create or maintain any obstruction of any street, alley, sidewalk or other public way, except as may be specified by ordinance or by the city engineer or street commissioner.

Any person violating the provisions of this section shall be guilty of an infraction and upon conviction thereof, shall be fined not less than twenty-five dollars (\$25.00) nor more than five hundred dollars (\$500.00).

3.0202 Destruction of City Property - Prohibited - Penalty

It shall be unlawful for any firm, person or corporation to willfully and without just cause or excuse, to injure, deface or destroy any property owned by the City or held by the City for public use. Any person violating the provisions of this section shall be guilty of an offense and be fined not less than twenty-five dollars (\$25.00), nor more than one thousand dollars (\$1,000.00) or be imprisoned in the City jail for not to exceed thirty (30) days or by both such fine and imprisonment.

3.0203 Encroachments

It shall be unlawful to erect or maintain any building or structure that encroaches upon any public street or property.

3.0204 Openings

It shall be unlawful to construct or maintain any opening or stairway in any public street or sidewalk or alley without a permit from the governing body. All such lawfully maintained openings shall be guarded by a suitable strong cover or railing to be approved by the street commissioner or the city engineer or the official who supervises public improvements.

3.0205 Wires

It shall be unlawful to erect any poles or wires or maintain any poles or wires over any public place, street, alley or other public way without having first secured permissions from the governing body.

Any person or company which maintains poles and wires in the streets, alleys or other public places, shall, in the absence of provisions in the franchise concerning the subject, keep such wires and poles free from and away from any trees and shrubs in such places as far as may be possible, and keep all such trees and shrubs near such wires and poles properly trimmed, subject to the supervision of the Commissioner of Streets and Public Improvements, so that no injury shall be done either to the poles or wires or to the shrubs and trees by their contact.

3.0206 Littering - Prohibited

No person, firm or corporation shall throw or deposit or cause to be thrown or deposited any garbage, glass, bottles, boxes or rubbish of any kind upon any street or alley in the City.

3.0207 Burning amended December 5, 2011

It shall be unlawful for any person, firm or corporation to burn any leaves, paper, rubbish or other substances upon any of the public streets, sidewalks or alleys in the City. ~~Residence of Glenburn can dispose their leaves and tree branches south of town by taking 5th Avenue South to the drop site. The city maintenance employee will burn the rubbish once a year in late fall.~~

3.0208 Distributing Hand Bills, Etc.

The scattering, throwing or placing of bills, posters, advertising matter, hand bills and other similar items on private premises, sidewalks, streets or other public places in the City must be done in such a manner so as to prevent the items from being blown about these premises, sidewalks, streets or other public places. Any person or entity violating the provisions of this section shall be guilty of an infraction.

3.0209 Heavy Vehicles

No person, firm or corporation shall move, or cause to be moved over the paved streets, sidewalks, crosswalks, culverts, bridges and viaducts within the City any engine, tractor, wagon, truck or other vehicle, object or thing which will tend to injure the paving, sidewalks, crosswalks, culverts, bridges or viaducts over which the same are transported, or which exceeds in weight, 16,000 pounds per axle and exceeds 750 pounds per inch of tire widths, or any vehicle to the wheels of which are attached spurs, bars, angle irons or cleats which will tend to mar or deface the paving, sidewalks, crosswalks, culverts, bridges or viaducts, except under the direction and permission of the governing body and, in addition thereto, shall pay or cause to be paid to said City, upon demand, any and all damages done to the paving, sidewalks, crosswalks, culverts, bridges or viaducts, provided that when the specified load limits herein contained will cause damage to the City's paved streets, the governing body by resolution adopted, and made public, may lower said load limits for such period of time it may deem necessary. The provisions of this section shall not apply to state and federal highways through the City.

3.0210 Removal of Snow and Ice from Sidewalk

It shall be, and hereby is declared to be, the duty of the owner or occupant of each lot in the City to remove from the sidewalk in front of or along the same, any ice or snow which forms, accumulates or obstructs such sidewalk, within twenty-four (24) hours after the ice forms or the snow ceases to fall thereon. Where the ice accumulated is of such character as to make the removal thereof practically impossible, the sprinkling of ashes or sand thereon within the time specified for removal in such manner as to make such sidewalk safe for the travel of pedestrians thereon, shall be deemed a compliance with the provisions of this article.

3.0211 Removal of Snow and Ice by City

In case the owner of any lot in the City refuses or neglects to remove such ice from such sidewalk in front of or along a lot therein, the ice or snow therefrom within the same time above stated or refuses to sprinkle ashes or sand on the same within the time specified for removal in such manner as to make such sidewalk safe for travel of pedestrians thereon, the same may be removed by or under the direction of the city maintenance employee or street commissioner of the City, or ashes or sand sprinkled thereon, and the necessary expenses shall be charged against the abutting property by special assessment in the manner prescribed by law.

3.0212 Assessments by Street Commissioner When Work is Done by City

Whenever the street commissioner shall, pursuant to Section 3.0211 of this article, remove or cause to be removed any snow or ice from any sidewalk or sidewalks along or in front of any building, grounds or premises, he shall assess the cost of the same against said property, and on or before the first day of May in each year, make and file in the office of the city auditor a list of the property chargeable with such expense, the actual cost and expense of such removal and a description of the lot, lots or parcels of land along or in front of which is the sidewalk or sidewalks from which snow or ice has been removed. (Source: North Dakota Century Code Section 40-29-18)

3.0213 Snow and Ice Removal Assessments, Publication by Auditor, Hearing by City Governing Board

The city auditor shall give notice by publication in the official newspaper of the hearing and confirmation of such report and assessment at the regular June meeting of the City governing board, notifying all persons objecting thereto to appear and present their objections. The notice shall be published once each week for two (2) consecutive weeks, the last publication to be not less than eight (8) days before the time fixed for the hearing. At the June meeting of the City governing board or at such later meeting as the hearing and confirmation of such assessment may be adjourned to, the City governing board shall consider said assessment and shall hear any objections thereto or to any part thereof, and after revising and correcting the same, if necessary, it shall approve and confirm the list. The city auditor shall attach to such

list his certificate that the same is correct as confirmed by the City governing board and shall file said assessment list in his office. The assessment shall be certified to the county auditor by the city auditor in the manner provided in Section 40-24-11 of the North Dakota Century Code. (Source: North Dakota Century Code Section 40-29-19, 20)

3.0214 Street Cleaning - Snow Removal

Whenever, in the judgment of the governing body or the city maintenance employee or street **commissioner of the City, it shall be necessary that streets, alleys or public ways in the City shall be cleared** of snow or ice or be cleaned by the use of street sweepers or other methods of cleaning such streets, or for marking for traffic purposes, the ordinances of the City regulating the parking of automobiles, trucks and other motor vehicles shall be suspended and it shall be unlawful for any automobile, truck or other motor vehicle to be parked or left standing between the hours hereinafter mentioned and during the period of time during which the said parking ordinances are suspended.

3.0215 Notice - Snow Removal or Street Cleaning

Whenever it becomes necessary to remove snow or ice or to sweep and clean streets, or to mark streets for traffic purposes in the City there shall be designated by the city maintenance employee or street commissioner the area and streets to be cleared of snow or ice or cleaned as aforesaid and the time during which such snow or ice removal and street cleaning and marking of streets shall be done and posting of such information in the area affected.

3.0216 Impounding Vehicles and Equipment

Whenever any parked automobile, truck, machinery, vehicle or equipment shall be found in any place prohibited by these restrictions, and during the hours as provided herein, the same shall be impounded by the City at a place to be provided and it shall be unlawful for any person, firm or corporation to remove or attempt to remove any truck, automobile, machinery, vehicle or equipment from the place where impounded without first paying the cost of such impounding.

3.0217 Blocking Streets

No driver of any vehicle shall stop the same on any street, avenue, lane or alley of the City in such a manner as to hinder or prevent other vehicles or persons from passing at all times, unless in case of absolute necessity, nor shall any driver of any vehicle stop the same at any regular crossing of said street, alley, lane or avenue, so as to prevent the free passage of persons traveling or passing on foot.

3.0218 Excavations - Permit

It shall be unlawful for any person, firm or corporation, except public utilities which have received a franchise from the City, to tunnel under or to make any excavation in any street, alley or other public place in the City without having obtained a permit as is herein required, or without complying with the provisions of this article or in violation of or variance from the terms of any such permit.

3.0219 Guarding or Excavations and Openings

It shall be unlawful for any person within the City limits to leave or keep open, uncovered or unguarded any cellar door, pit, grating, vault or other subterranean passage opening from, into or upon any street, alley or sidewalk, or upon any private property if not suitably guarded.

3.0220 Application for Excavation Permits

Applications for excavation permits shall be made to the Auditor, and shall describe the location of the intended excavation or tunnel, the size thereof, the purpose therefore, and the person, firm or corporation doing the actual excavating work and the name of the person, firm or corporation for whom or which the work is being done, and shall contain an agreement that the applicant will comply with all ordinances and laws relating to the work to be done.

3.0221 Fees for Excavation Permits

The fee for excavation permits shall be determined by private contractors.

3.0222 Bond- Excavations

No excavation permit shall be issued unless and until the applicant therefore has filed with the Auditor a bond in the sum of ten thousand dollars (\$10,000.00), conditioned to indemnify the City for any loss, liability or damage that may result or accrue from or because of the making, existence or manner of guarding or constructing any such tunnel or excavations. Such bond shall have as surety a corporation licensed to do business in the state as a surety company.

3.0223 Deposit - Excavations

No such permit shall be issued unless and until the applicant therefore has deposited with the Auditor a cash deposit or bond in the sum of \$500.00 if no pavement is involved, and if the excavation is in a paved area \$500.00 to insure the proper restoration of the ground and laying of the pavement if any. From this deposit shall be deducted the expense to the City of relaying the surface of the ground or pavement and of making the refill if this is done by the City or at its expense, and the balance shall be returned to the applicant without interest after the tunnel or excavation is completely refilled and the surface or pavement is restored.

3.0224 Making Excavations - Notice

It shall be unlawful to make nay such excavation or tunnel in any way contrary to or at variance with the terms of the permit therefore. Proper bracing shall be maintained to prevent the collapse of adjoining ground, and in excavations, the excavation shall not have anywhere below the surface any portion which extends beyond the opening at the surface.

No injury shall be done to any pipes, cables or conduits in the making of such excavations or tunnels, and notice shall be given to the persons maintaining any such pipes, cables or conduits or to the City department or officer charged with the care thereof, which are or may be endangered or affected by the making of any such excavation or tunnel before such pipes, cables or conduits shall be disturbed. Notice shall be given as required by Chapter 49-23 of the North Dakota Century Code.

No unnecessary damage or injury shall be done to any tree to shrub or the roots thereof.

3.0225 Restoration of Excavations

Any person, firm or corporation making any excavation or tunnel in or under any public street, alley or other public place in the City shall restore the surface to its original condition if there is no pavement there. Refills shall be properly tamped down, and any bracing in such tunnel or excavation shall be left in the ground.

Any opening in a paved or improved portion of a street shall be repaired and the surface re-laid by the applicant, in compliance with the ordinances of the City and under the supervision of the street commissioner or city engineer.

3.0226 Supervision of Excavation Work

The street commissioner or the city engineer shall from time to time inspect or cause to be inspected, all excavations and tunnels being made in or under any public street, alley or other public place in the City to see to the enforcement of the provisions of this article. Notice shall be given to him at least ten (10) hours before the work of refilling any such tunnel or excavation commences.

3.0227 City Parks - Hours

All City parks shall have established hours of public access. The hours shall established by the Glenburn Park Board. Notice of the same may be published in the official newspaper or posted at the public parks. Any variance from the above hours of use shall be under special permission granted by the Park Board.

3.0228 City Buildings, Equipment and Vehicles - Smoking

Smoking is not permitted in City buildings, equipment and vehicles, except in designated smoking areas. The public official having general supervisory authority over any City buildings, equipment or vehicles may designate a smoking area by posting a sign in the smoking area which states "Designated Smoking Area." Any designated smoking area in a place of public assembly may not occupy more than fifty percent of the total area available to the public and must be situated to minimize smoke drift. (Source: North Dakota Century Code Section 23-12-10)

ARTICLE 3. Unclaimed and Abandoned Property

3.0301 Unclaimed and Abandoned Property - Defined

Personal property left upon the streets, alleys or other public ways in the City shall be deemed to be unclaimed or abandoned within the meaning of this article when the same is permitted to remain in any one place upon said streets, alleys or other public ways for a period of ten (10) days or more.

3.0302 Seizure of Unclaimed or Abandoned Property

Whenever any unclaimed or abandoned personal property is found upon the streets, alleys or other public ways of the City, the same shall be seized and possession thereof taken by any police officer, street commissioner or other officer of the City.

3.0303 Holding of Personal Property - Notice of Sale

Abandoned personal property shall be held by the City for a period of not less than sixty (60) days after its seizure as provided herein, and after the expiration of said sixty (60) days the city auditor shall cause notice to be published in the official newspaper of said City, said notice specifying and stating the description of the property so seized and held, the location of the place where the same was seized or taken by said City, and a further notice that said property will be sold at public auction, to the highest bidder for cash, not less than ten (10) days from and after the date of the publication of such notice and the hour, date and place where said sale will be held. If prior approval is obtained from the governing body such unclaimed or abandoned property may be sold at a community auction provided that the chief of police or a police officer shall be responsible for the notice and reporting requirements of this article.

3.0304 Report of Abandoned Property Sale

At the time specified in said notice the said property shall be sold by the governing body, at public auction, to the highest bidder for cash and within three (3) days after the date of said sale, the governing body making the sale shall make a report The report shall contain the description of the property sold, the time and place of the sale, the name or names of the purchaser or purchasers and the amount received therefore. The report shall be made under oath and subscribed by a member of the governing body, making such sale and shall be filed with the city auditor within three (3) days after the date of such sale. The governing body upon filing the report shall pay to the city auditor the proceeds of said sale.

3.0305 Bill of Sale - Abandoned Property

Upon the receipt of the report as specified in Section 3.0304 hereof, the city auditor shall prepare a bill of sale of the property sold conveying the same to such purchaser and the same shall be executed by the presiding officer of the governing body and attested by the city auditor and delivered to the purchaser.

3.0306 Proceeds of Sale - Abandoned Property

The city auditor shall retain such money as is received from such sales in a separate account for a period of six (6) months from and after the time of such sale and if proceeds of such sale are not claimed as hereinafter provided by the owner of said property, the said money shall thereupon be transferred to the general fund of the City.

3.0307 Redemption of Personal Property

Any person owning such personal property seized as aforesaid, may at any time prior to the sale thereof, upon furnishing satisfactory proof of his ownership thereof to the governing body, reclaim such property upon paying the expenses incurred by the City for the seizure, storage or advertising the sale thereof and any person owning such property as aforesaid may at any time within six (6) months after such sale and upon making satisfactory proof to the governing body of his ownership thereof, claim the proceeds of such sale, upon payment to the City of the necessary expenses incurred by the City for the seizure, storage and sale of said property.

3.0308 Annual Report - Unclaimed and Abandoned Property

The governing body prior to June 1 of each year shall submit to the city auditor a written list of all unclaimed and abandoned property held by the City which has not been sold pursuant to the provisions of this article. The city auditor shall bring such list to the attention of the governing body at the next regular meeting.

ARTICLE 4 - House Numbering

3.0401 House Numbering Required

All lots, buildings and structures in the City shall be numbered by the city auditor/assessor with approval of the governing body

3.0402 Numbers of Houses

It shall be the duty of the owner and occupants of every house in the City to have placed thereon, in a place visible from the street, figures at least two and one-half (2 ½) inches high, showing the number of the house.

ARTICLE 5 – Trees – Shade Tree Committee

3.0501 Definitions – Street Trees and Park Trees

“Street trees” are herein defined as trees, shrubs, bushes and all other woody vegetation on land lying between property lines on either side of all streets, avenues or ways within the City.

“Park trees” are herein defined as trees, shrubs, bushes and all other woody vegetation in public parks having individual names, and all areas owned by the City, or to which the public has free access as a park.

3.0502 Tree Care – Tree Topping

The City shall have the right to plant, prune, maintain and remove trees, plants and shrubs within the lines of all streets, alleys, avenues, lanes, squares and public grounds, as may be necessary to insure public safety or to preserve or enhance the symmetry and beauty of such public grounds. The city governing board may remove or cause or order to be removed any tree or part thereof which is in an unsafe condition or which by reason of its nature is injurious to sewers, electric power lines, gas lines, water lines, or other public improvements, or is affected with any injurious fungus, insect or other pest. It shall be unlawful as a normal practice to top any street tree, park tree or other tree on public property. Topping is defined as the severe cutting back of limbs to stubs larger than three inches in diameter within the tree’s crown to such a degree so as to remove the normal canopy and disfigure the tree. Trees severely damaged or certain trees under utility wires or obstructions where other pruning practices are impractical may be exempted from this ordinance at the determination of the Shade Tree Committee.

ARTICLE 6 – Planting of Trees

It shall be unlawful to plant any tree or shrub in any public way or boulevard without having secured a permit therefore. Applications for such permits shall be made to the City Auditor. Permits shall be secured by the property owner. The City Auditor shall not grant such permit unless the property agrees:

- 1) That the boulevard to be planted has been brought to final grade.
- 2) In new plantings, the trees will be planted no closer than three (3) feet to the curb line or closer than four (4) feet to any sidewalk or the normal location of the sidewalk from the curb line or curb. In old plantings, the trees shall be planted in line with the existing old trees situated in the blocks.
- 3) That the planting will be completed in the season stated on their permit, and not later than ninety (90) days after the date their permit issued.
- 4) That the species of trees to be planted shall be Seedless Green Ash, Black Ash, Hop Hornbeam, Horsechestnut, Common Hackberry, Native Bur Oak, American Linden, Redmond Linden, Dropmore Linden, Canadian Linden, Silver Queen Maple, Honeylocust, Mayday, Snowy Mountain Ash, Canada Red Cherry, Spring Snow Crab, Mancana Ash, Amur Maple. Other species of trees may be planted with the approval of the City Council.

- 5) That the planting of trees shall not be closer than four (4) feet to any sidewalk or the normal location of the sidewalk from the curb line or curb on any street corner intersection or closer than five (5) feet to any alley entrance or exit.
- 6) That the trees to be planted will not be less than twenty (20) feet apart. Smaller species may be planted with less distance between trees with the approval of the City Council.
- 7) Unless otherwise allowed for specific reasons, that all trees shall have comparatively straight trunks, well developed leaders and tops and that all trees must be free of insects, diseases, mechanical injuries, and other objectionable features at the time of planting.
- 8) That the boulevard to be planted is not less than seven (7) feet in width.

3.0601 Plantings Prohibited

No American Elm, Cottonwood, Chinese Elm, Willow, Boxelder, Juniper, Fruit Trees, Poplar, Evergreens, Shrubs or Hedges shall hereafter be planted in any boulevard.

3.0602 Tree Injuries Prohibited

It shall be unlawful to injure any tree or shrub planted or growing in the public way or boulevard.

3.0603 Removal or Illegal Plantings

In addition to all other remedies provided, the City Auditor is hereby empowered to order the removal on any trees or shrubs planted in violation of this ordinance.

3.0604 Advertisement-Notices

It shall be unlawful to attach any sign, advertisement or notice to any tree or shrub in any public place.

3.0605 General Prohibition

Except as provided herein, no person, agency, partnership, corporation or business or employees thereof, excluding the record title owner of the real estate upon which the tree is located, shall be allowed to cut or remove the foliage, branches, leaves or other portions of any tree within the City of Glenburn, North Dakota.

3.0606 Shrubs and Hedges Excluded

This prohibition shall not apply to evergreen type shrubs or hedges, which are small, bushes grown in a line for a border when such shrubs or trees do not exceed a height of fifteen (15) feet. When such shrubs or hedges have exceeded the height of fifteen (15) feet trimming of such plants shall only be under the personal supervision of the City Forester or City Commission.

3.0607 Public Utilities Controlled

Public utilities which have a franchise from the City of Glenburn shall be allowed to remove portions of such trees as are necessary to protect their lines and systems. When such removal is necessary the public utility shall trim the tree on all sides as are necessary so as to leave a uniform and symmetrical appearance of the tree and allow the tree to continue growth in a uniform fashion.

3.0608 Inspection

The City and its agents are hereby authorized and empowered to enter upon any lots or parcels for the purpose of inspection at reasonable hours, to determine if this ordinance is being complied with. No persons shall take any action to prevent such inspections.

3.0609 Notice

Notice to the landowner and/or tree trimming contractor to cease and desist any violation of this ordinance may be made by verbal command of a city official so authorized but such notice shall be followed by written notice mailed or delivered to landowner within 48 hours of the oral notice.

3.0610 Removal of Trees

Any tree which has been trimmed in violation of this ordinance and which has lost at least 20 % of its foliage upon request of the City Commission shall be removed by the landowner.

3.0611 Penalties

Any person who shall violate this ordinance or any provision thereof upon conviction, shall be subject to a fine of not to exceed \$500 or by imprisonment of not to exceed thirty (30) days or both such fine and imprisonment.
