Your water meter will be read monthly, and bills will be sent out by the 26th of each month. You will be billed for your water usage, sewer, and garbage pick-up on one bill.

All bills are due by the 10th of the following month with the 22nd of the month as the last date. After the 22nd a late fee of \$25.00 and a 1.5 % interest will be charged to the account. If two months are in arrears, shut off will take place. The customer is required to pay a non-refundable reconnect fee of \$200.00 plus any delinquent water bill to have the water turned back on. Water will not be turned back on after 5pm weekdays or on weekends.

For your convenience there is a drop off box under the east window by the City Hall front door for cash or check payments. Online bill payment may be made at www.govcard.org/glenburn-nd or we can take debit and credit cards in the office.

GARBAGE PICKUP IS EVERY THURSDAY MORNING. Have garbage to the curb by 6:30 AM to insure pick-up. Authorized containers which have been provided by Circle Sanitation will only be picked up by the garbage collectors. You must call and make arrangements for other garbage to be picked up.

The City license is \$6.00 for a spayed or neutered dog or \$12.00 for non-spayed or non-neutered dog. All dogs must be leashed and on your own property at all times. Any dog found running at large within the City limits is subject to be impounded and owners will be fined. The City Ordinance does not allow dangerous or vicious animals of any kind, (to include reptiles), in the city limits. Only two dogs are allowed per household; four pets total.
