Glenburn Council Meeting
November 4th, 2026
6:30PM

Mayor Eric Folstad called the meeting to order at 6:35 pm.
Present: Council members: Folstad, Hoff, Dewbre, Dotson. Auditor Rose Miltenberger, Donna Zeltinger (absent), Daryl Dotson

Dustin made the motion to approve the minutes from the regular council meeting held October 3rd, 2026. Second by Dave, all aye, motion approved.

Guests and public comments
Montana McCormick -no show
Josh Reiner – Moore Engineering – updates on Lead and Copper. His apprentice Josh was with him also. – Josh R went over the outstanding unknown lines we have on both the City and homeowners' sides. What our deadlines are and how they are needed to be met. Also spoke about the current waterlines we have in the City and possibly having them replaced that need to be in the future.
.
Reports from the council members were given.
(Water & Pets):
a.36 late statements and 8 shut offs were sent out on 10/22/26.
b. dog complaint on Facebook – spoke about how City personal shall not post comments regarding these issues as it could create issues for the City.

Hoff (Sewer):
Went over the Lagoon inspection report. All is good as we passed it. Talked about Daryl flushing the manholes before winter sets in.

Dotson (Streets):
Nothing at the moment.

Dewbre (Buildings):
a. Motion by Dustin to approve the deck for Travis Garrison – he pre-approved it already, second by Dave, approved by all.

Mayor Communications:
a. Eric still looking for someone to take Nancy's position. So far, he has not found anyone.
b. Discussed keeping compost dumpster – all agreed to keep it.
c. Eric went over City Shop usage
d. Call the residents that still have sump pumps discharging into the streets to remove for the winter, so it doesn't cause ice back up and other issues on the roads.
.
Employee communications:
a. Daryl took exam for certification for NDDEQ and passed

b. talked about Northern Plains doing a full inspection on tractor and what it would cost -put on hold for time being
c. Darly discussed the testing he did with Mike Overtone on the fire hydrants and lines. All were good.
d. Daryl talked about getting skid pads fixed on tractor.
e. Need light fixed on west end of Main near elevators, keeps going off and on
f. Rose requested time off for the following dates – November 13th (leave early -noon). November 20th (office to be closed) For vendor shows that have been prebooked.
g. Discussed about day after Thanksgiving, office will be closed.

Old Business:
a. school signage – Still no word back from Larry Derr. Will keep looking for grants, also will watch for when Safe route to schools' grant application reopens up.
b. Megan from StrengthenND still looking into grants for us.
c. Paul Salczenko was sent a registered letter regarding property to be cleaned up. Still waiting for the contract to be signed for District Court so the other two people who had letters to clean properties up can be issued citations for failure to do so.

New Business:
Discussed numbering fire hydrants and how to do so throughout the City.
Next years Council meeting dates – approved by all

PAYING OF THE BILLS:
Dave made the motion to approve the financial report and pay bills out of the proper accounts. Dustin seconded. motion approved by all
