

City Newsletter for Feb. 2025

Donna Zeltinger, City Auditor

Dates to remember:

Feb. 2nd: Groundhog Day

Feb. 3rd: Council meets at city hall 6:30pm

Feb. 12th: Lincoln's b-day

Feb. 14th: Valentine's Day

Feb. 16th: Freewill Breakfast at the senior center 9am-1pm

Feb 17th: Washington's birthday and Presidents Day

Dog licenses are due now.

Tote reminder

Please do not put garbage bags along side the tote. All garbage must be placed in the tote. Do not use other garbage cans or totes; only the Circle tote is permitted. If you need a second tote contact city hall and we will get one delivered to you. Cost is \$5.50 per month. If your tote blows away, let us know, every customer has a no.# assigned to their tote so we can tell when one is found who it belongs to.

There will be a clean out dumpster in the spring for items that are too big for the totes. This date will be put in the month prior newsletter and on Facebook.

City Website

The city has a new website: <https://glenburn.municipalimpact.com>

Please go online and check it out and sign up for the city alerts by inserting your email address and/or phone # for text messages. Numerous Information is provided on the city as well as applications for utility hookup, building permits, dog licenses and gaming permit applications will be available as well as our ordinances. If you don't see it all yet, Rose is working diligently to get the information submitted.

Please refrain from flushing paper towels, napkins, blue shop towels, Kleenex, baby wipes and grease down the toilets and drains. These items do not dissolve and back up the sewer system! Be considerate of others in our community that have basements and deal with backups due to these types of items being flushed. The city can only do so much to flush and clean our lines. Thank you for your cooperation!
