250th anniversary

July 6th: Council Meeting
6:30pm

City Website
<https://glenburn.municipalimpact.com>

Happy Independence Day

June Elections Results

Taylor Dotson
Nancy Rolland
Are our new elective council
members.

There is a dumpster on Seaton
Street that you can discard your
yard waste. Only grass cuttings
and leaves can be disposed in this
container. Please make sure that
you only dump the contents of
the bags and not leave the bags
there.

Please **do not** blow grass clippings
into the streets when mowing!
This plugs the curbs for rain/water
flow and is a breeding spot for
mosquitoes. Thank you!

Our City does not have a Storm Shelter. Best
thing to do is Google on how to stay safe during a
severe storm.

Get to know your neighbors if they have a
basement

Here is a helpful link:

www.ready.gov/severe-weather

Fireworks are allowed from June 27th to July 5th
prohibited hours are 12:30am to 10am
if there is no Fire Ban
Please be considerate and clean up after
especially on the streets.

Reminder:

All dogs must be leashed, kenneled, or in a
fenced in yard.

Reminder:

Please do not flush anything but toilet paper
down the toilets. Our maintenance man is
finding a lot of paper towels again in the sewer
system. This clogs up the system and can cause
back ups which is costly to get fixed.
