**VOLUNTEERS NEEDED**

The city received a grant to plant 35 trees around the city. We are asking for volunteers to help water these new trees for the summer. The city will have the water tank and trailer to pull to the locations. The watering needs to be done weekly and more if conditions are dry. Call city hall at 362-7544 or email [city@srt.com](mailto:city@srt.com) if you can help out! Thank you
