For consideration of your  
neighbors please mow at least  
two rows away from their homes  
or buildings. They don't like  
having to sweep your grass off  
from their buildings or have  
broken windows.

++++  
Please leash or fence your dogs.  
Your neighbors don't like picking  
up or stepping in feces when  
they don't have a dog. Always be  
considerate.
