Happy Halloween

Tree pruning class put on by Joel Allen from North Dakota Forestry Service
Learn how to prune your trees – Wednesday October 14th at 6pm at the Senior
Center.

This is a good time to clean up your yards and remove any dead trees and
stumps. Just watch for the wasp and hornet nests, they are really out there this
year.

There is a dumpster on Seaton Street where you can discard your yard waste.
Only grass cuttings and leaves can be disposed in this container. Please make
sure that you only dump the contents of the bags and do not leave the bags
there.

.....

Halloween is on a Saturday this year. Enjoy and
dress warm as weather is supposed to be
around 28 for the low.

Reminder: Earth Recycling is at
7670 23rd Ave NW for any of your
appliances, boxes, newspapers
and a whole lot more.

Reminder:

Please do not flush anything but toilet paper down the toilets. Our maintenance man is
finding a lot of paper towels again in the sewer system. This clogs up the system and can
cause back ups which is costly to get fixed.
